CONSENT TO SHARE INFORMATION

The Big Lift is a countywide effort whose goal is to improve children's educational experiences from preschool through third grade. As a part of The Big Lift program, The Big Lift collects the information in this application, child assessment data collected by your child's teacher for The Big Lift (e.g. Desired Results Developmental Profile or Ages & Stages Questionnaire), and family attendance of family engagement events (like Parent Café or Raising a Reader). This information will help The Big Lift learn about the children and families served. This information will be used by the San Mateo County Office of Education to implement and evaluate the program.

- Families can skip any question they do not want to answer, except for the information that is required to enroll their child in the program.
- At some point during the program, families may be asked to complete a survey that asks additional questions about their experience with the program.

The information collected by The Big Lift is only used for program and evaluation purposes and will help manage and improve The Big Lift Inspiring Summers program for children and families in San Mateo County.

- The San Mateo County Office of Education places the highest priority on the security and confidentiality of child and family information and ensures it will be protected as required by law and in accordance with data security mandates.
- In compliance with the Family Educational Rights and Privacy Act (FERPA), the San Mateo County Office of Education (SMCOE) will only share information about me and my child/family for program evaluation purposes. The evaluation partners that data can be shared with include: Silicon Valley Community Foundation, the County of San Mateo, and the RAND Corporation. Data will only be shared with authorized individuals from these agencies. These two agencies can only use the information for evaluating The Big Lift and cannot share any child or family information with anyone.
- Reports will **never** include information that can identify me. Reports will **never** include my name, my child(ren)'s name(s) or any of my family's other private or personal information.

If you have questions or concerns about how The Big Lift uses data, please call: 650-802-5452.

I have read and understand the information above.
